
Cesco is proud to announce the release of

***COR daily wash* – Cesco Organic concrete Remover**

- Revolutionizing Concrete Cleaning

Cesco Australia Ltd is thrilled to announce the release of our latest innovation, **COR Daily Wash**. After an extensive 12-month trial period garnering exceptional feedback, we are excited to bring this groundbreaking product to the market.

COR Daily Wash stands out as a game-changer in concrete cleaning solutions for several reasons. Unlike traditional acidic products, **COR Daily Wash** is non-acidic, ensuring minimal impact on both metal and painted surfaces. Its environmentally friendly composition reflects our commitment to sustainability, offering a safe alternative for users and the planet.

One of the key advantages of **COR Daily Wash** is its ease of use. Designed with convenience in mind, our product simplifies the concrete removal process, making it accessible to a wide range of users. Whether you're a Major owner, LOD or Independent contractor, **COR Daily Wash** streamlines the task at hand with efficiency and effectiveness – broom, paint or spray on.

What truly sets **COR Daily Wash** apart is its unique formulation, making it not just another concrete remover but a safe one at that. By prioritizing safety without compromising on performance, Cesco Australia Ltd has crafted a solution that meets the needs of modern consumers and businesses alike.

We are excited to announce that **COR Daily Wash** is now available to Major owners, LOD's and Independent contractors in the concrete agi market. To ensure you secure your batch from the inaugural commercial production run, we encourage you to place your orders early.
