

OCTOBER SPECIAL #4

PAINTED 3" DOUBLE ACTING HYDRAULIC RAMS

- Save over \$50.00 OFF

The Cesco 3" full hydraulic Double Acting Control Valve (Ram) is unique in the industry as it is designed with a built-in Safety Valve. So if your hydraulics fail the Ram will not collapse your load - it will lock & hold in position for safety & operational certainty.

Special Price: \$428.00+GST - PAINTED

* Choose your own Paint Colour
