

XMAS / NEW YEAR SPECIAL #5

\$SAVE a massive 25% OFF *COR Super Gel* - the revolutionary Cesco organic concrete remover!

FORGET Acid eating away your chassis rails and going straight down stormwater drains - toxic to the environment! Try the environmentally-friendly alternative that is easy to use, effective and protects your Agi chassis paint & the integrity of your mixer.

COR Super Gel is an intensive, organic application designed to remove more stubborn concrete build-up than just concrete slurry or concrete splash, that our COR Daily Wash treats.

Unlike traditional acidic products, *COR Super Gel* is non-acidic and contains corrosion inhibitors to protect both metal and painted surfaces - ALWAYS protecting your investment!

Easy to use: Simply spray on - leave for 10 minutes (do not let dry) and then gurney off for a beautiful, clean finish. Heavier build up may require a second coat.

200L Drum - Now only \$895.00+GST - \$save a mighty \$320.00 OFF our normal rate!!
